

Creating Future Leaders with Arizona Tax Credits

A CEA Family Testimonial

Our Mission

We provide scholarships to underserved children to change lives, serve society, and transform culture.

Catholic Education Arizona (CEA) was founded 25 years ago with the mission to make it possible for underserved families in Arizona to provide a quality education for their children. Through support of the Individual Tax Credits, every child has an equal opportunity to pursue an education that allows them to reach their highest potential.

The state of Arizona allows individual taxpayers to personally determine where their income tax dollars are spent. CEA and Arizona taxpayers work together, investing in Arizona’s economy by providing a high-quality educational opportunity for future generations.

Family Testimonial

The Davis Family at St. Jerome

"First, we want to thank Father God for even making this possible. My family relocated here to Phoenix, AZ in April 2016. Jordyn was 2 years old at the time... it was challenging to find a public school close to home that offered full-day pre-k services, every school only did half-day, and I worked a full-time job."

"One day while driving down 35th Ave, the billboard outside the parking lot of St. Jerome read "Now Enrolling for Pre-K." The next day I called the school and spoke with someone about enrollment. **They explained everything and an administrator helped me apply for scholarships because I couldn't afford to pay tuition.** Everyone at St. Jerome was welcoming."

"They provided a tour of the beautiful school and explained that Jordyn would attend mass and learn all about Jesus Christ our Lord and Savior. This put the icing on the cake. We are thankful to the tax credit contributors for the good she will experience because of their generosity in her life."
