Changing lives one scholarship at a time.

Our Mission

We provide scholarships to underserved children to change lives, serve society, and transform culture.

Catholic Education Arizona exists to make it possible for families to provide a quality education for their children.

Through support from the Arizona Low-Income and Disabled/Displaced Corporate tax credits, underserved children are given equal opportunity to pursue an education that allows them to reach their highest potential.

Our organization enables corporate Arizona tax payers to directly choose what their taxes support.

Catholic Education Arizona and Arizona taxpayers work together investing in Arizona's economy and the education of the next generation.

100% of all tax credit contributions are utilized in full compliance with the AZDOR and Arizona State statutory requirements.

Corporate Contributions

Businesses that file as S- or C- Corporations and Insurance Companies that pay Arizona Premium Tax are able to contribute up to 100% of their Arizona tax liability until the maximum set by the state of Arizona is reached.
